

# Benefits of Pre-Owned Xerox Equipment

## Products Available . . .

An extensive array of products that include our most popular production publishing, laser printing systems as well as distributed publishing and printing.

## Count on Xerox Quality . . .

Xerox quality is assured as the equipment undergoes an extensive 10 point quality certification and testing process that ensures the product you are receiving is of top quality. As the original equipment manufacturer, we have the expertise to provide the best in Xerox pre-owned equipment quality with a highly trained technical staff using 100% Xerox sourced or manufactured parts.

## Rely on Xerox Service . . .

The previously owned Xerox equipment you purchase from Xerox will automatically qualify for world class Xerox service maintenance. Thousands of customer service engineers are available worldwide to service your unit, 7 days a week, 24 hours a day. Xerox brings the experience of years of high quality reprographic, print and office technology service. This ensures that we keep your equipment running at its peak performance.

## Expect Satisfaction . . .

"Customer First" is our top priority. You can expect satisfaction with your pre-owned equipment purchase from Xerox. Your satisfaction is insured by our benchmark Xerox Total Satisfaction Guarantee.

## Add up the Value . . .

All of this adds up to a total solution package for you, our customer. Not only will your previously owned Xerox equipment be attractively priced, it will be backed by our high-quality service and support systems with flexible financing terms to meet your needs.
