

Environmental Choice Qualified Products

(CCD-035 Office Machine - effective March 1, 2009)

EcoLogo™ Standards are developed in an open, public, and transparent process spanning approximately 12-18 months, and are designed so that only the top 20% of products available on the market can achieve certification. Consumers can trust that products bearing the EcoLogo certification mark truly represent environmental leadership. [Click here](#) to view the TerraChoice web site listing Xerox EcoLogo Program qualified products.

Xerox Product	Product Type: Copier, Printer, Multifunction Device (MFD)	EcoLogo Program Qualified
ColorQube 8570 DN	Printer	Yes
