

# Replacement Cartridges for HP LaserJet Printers LJP4014/4015/4515 Series

You purchased the HP P4014 or 4015 for affordable monochrome network printing productivity. Xerox Replacement Cartridges are both affordable and will increase your productivity.

We invented the all-in-one toner cartridge and have decades of experience under our belts. Put our knowledge and expertise to work for you.

**Save more** with up to a 25% savings over the HP brand—from the OEM you trust: Xerox. Why spend more?

**Get more** with a page yield that meets or beats the OEM yield. Testing concluded actual Xerox cartridge yield in excess of stated OEM yield by about 10%.

- With crisp, sharp black images, even your two-sided documents look professional whether it's the first or last copy from your Xerox cartridge.

**Expect more** with a cartridge that is backed by the Xerox 100% Risk Free Guarantee:

- If the cartridge fails to perform, return the cartridge to your reseller or to Xerox to ensure your 100% satisfaction
- Xerox will send a new cartridge or refund 100% of the purchase price
- And—Xerox will pay any repair costs should a cartridge damage your printer
- No risk, no hassle

**Give more back.** Our products help keep plastic waste out of landfills while never compromising our quality. Now that is a cartridge you can feel good about using.

## Product Description

### Replacement Cartridges

for HP LaserJet P4014/4015/4515 Series

<b>Xerox Part Number</b>	6R1443
<b>Manufacturer's Part Number</b>	CC364A
<b>Machine Type</b>	HP LaserJet P4015A
<b>Replacement For</b>	HP LaserJet P4014n, P4515 Series
<b>Length</b>	15.0 inches
<b>Width</b>	7.9 inches
<b>Height</b>	12.2 inches
<b>Weight</b>	5.5 pounds
<b>Average Page Yield</b>	10,000 Prints Equal to OEM
<b>Unit Barcode</b>	0 95205 75686 9
<b>Units/Pallet</b>	45
<b>Suggested List Price</b>	\$172.49
<b>HP List Price</b>	\$229.99
<b>HP Retail Price</b>	\$172.99
<b>Target Segment</b>	Medium to Large Business up to 65 ppm printers

### Did You Know?

We have engineers dedicated to print quality for Xerox and Xerox Replacement cartridges.

- We perform over 20 different tests on all replacement cartridges to ensure the highest quality.
- We test cartridges in different stressful climate conditions because our cartridges have to perform optimally regardless of whether your printer is in a cold/dry or hot/wet environment.
- Every single cartridge is print tested in production to ensure performance.

We test all cartridge models using a rigorous set of scoring criteria including protocols which meet ISO/IEC 19752 standards to validate and guarantee yields.

- We also perform monthly life testing at our manufacturing sites and test samples from our warehouses—all to provide you the very best quality assurance possible.

Xerox Environmental Health and Safety experts assess each cartridge design to ensure that no harmful substances are in our cartridges.

We are committed to responsible and environmental business practices. Our exemplary programs have helped keep thousands of cartridges out of landfills.
