

Xerox 490 / 980 Color Continuous Feed Printing System Multinational Media List June 2008

For your convenience, this guide contains the [Xerox Media List](#).

The [Xerox Media List](#) contains custom media that has been tested on the Xerox 490 / 980 Color Continuous Feed Printing System for image quality and performance. Custom media on this list are digitally optimized, designed and manufactured for performance in Xerox digital printing equipment. Customers should validate that the Best Practices for Operation are acceptable for their application. When purchasing a particular media product for the first time, customers are advised to purchase small quantities to insure that expectations are met.

General Information

Media observations made in this publication are based on tests conducted using standard images with moderate to heavy image area coverage. Test machines are maintained within specifications defined by user documentation.

This document will be updated regularly to reflect the most current media test results. Suggested machine adjustments as well as best practices for operation are included where applicable in order to optimize media performance.

Instructions for programming media listed in this document can be found in the customer training manual. Specific media attributes needed to program media are included in this document.

Warranty Disclaimer

Xerox makes no guarantees or warranties, either expressed or implied, concerning the performance, use or replacement of non-Xerox branded media or throughput products. Customers should inquire directly of their paper distributor or manufacturer for any guarantees they may offer. When purchasing a particular media product for the first time, customers are advised to purchase small quantities to insure their expectations are met. The quality of Xerox supplies is consistent from roll to roll and is backed by a 100% guarantee. The quality of non-Xerox branded paper may vary from roll to roll, so for optimum performance on Xerox color equipment, use only the best - Xerox supplies. To learn more about the benefits of using Xerox Supplies, please contact your Supplies Representative or in the U.S. call 1-800-822-2200 and in Canada English 1-800-668-0199 or French Canadian 1-800-668-0133. © 2008 Xerox Corporation.
