

Trademark	Goods
1010®	09: Photocopier, laser printer, computer printer, inkjet printer, optical character recognition (OCR) scanner, parts thereof for all
180 IPS®	09: Laser printers
180 NPS®	09: Laser printers
2-PHASE EXTRACTION®	11: EQUIPMENT-ENVIRONMENTAL C
2240IJ®	09: Laser printers
2400 FINEPOINT®	09: Printer feature relating to image quality, software for imaging in printers
2510®	09: COPIERS
3001®	09: Photocopiers, and parts therefor
3006®	09: MULTIFUNCTIONAL DEVICE
3030®	09: COPIERS
3050®	09: COPIERS
3060®	09: COPIERS
3700®	09: Printers
4045®	09: Printers
4050®	09: Laser printers, parts
4090®	09: Printers
4110®	09: Photocopiers, laser printers, inkjet printers, computer printers, optical character recognition (OCR) scanners, parts thereof for all
4112®	09: Printers, computer printers, laser printers, ink jet printers, color printers, photocopiers.
4118®	09: Photocopiers, laser printers, computer printers, multifunctional devices composed of one or more of the following: photocopier, laser printer, facsimile machines, optical character recognition scanner; parts thereof of all
4127®	09: Printers, computer printers, laser printers, ink jet printers, color printers, photocopiers
4135®	09: Laser printers
4220®	09: PRINTER-LASER
4235®	09: Printers
4250/MRP®	09: Laser printers, parts
4590®	09: Computer printers, laser printers, inkjet printers.

Trademark	Goods
4595®	09: Photocopies, laser printers, computer printers, multifunctional devices composed of one or more of the following: photocopier, laser printer, facsimile machines, optical character recognition scanner; parts thereof for all
4635®	09: Laser printers, parts and fittings thereof.
4700®	09: Printers
4850®	09: Color laser printers and operating software.
4890®	09: Laser printers
495®	09: Laser printers, inkjet printers, computer printers, parts thereof for all
5009®	09: COPIERS
5053®	09: COPIERS
5080®	09: Printers
5114®	09: Photocopier
5201®	09: COPIERS
5203®	09: COPIERS
5205®	09: COPIERS
5210®	09: COPIERS
5280®	09: COPIERS
5305®	09: COPIERS
5306®	09: COPIERS
5309®	09: COPIERS
5310®	09: COPIERS
5313®	09: COPIERS
5318®	09: COPIERS
5320®	09: COPIERS
5322®	09: COPIERS
5335®	09: COPIERS
5337®	09: Photocopiers
5340®	09: COPIERS
5343C®	09: Photocopiers, parts and fittings
5350®	09: COPIERS
5352C®	09: Photocopiers, parts and fittings
5365®	09: COPIERS
5380®	09: COPIERS
5388®	09: COPIERS
5390®	09: COPIER,FINISHER
5614®	09: Photocopiers

Trademark	Goods
5624®	09: Photocopiers, parts
5626®	09: Photocopiers, parts
5680®	09: COPIERS
5800®	09: Photocopiers
5837®	09: Photocopier
5845C®	09: Photocopiers
5855C®	09: Photocopier
5890®	09: Photocopiers.
5895®	09: Photocopiers
6030®	09: Laser document printers and parts thereof.
6050®	09: Laser document printeres and parts thereof.
6050A®	09: Laser document printers and parts thereof for all.
6180®	09: Laser printers
6204®	09: Computer printers, laser printers, wide format printers.
6279®	09: Laser printers, computer printers, wide format printers, and parts therefor
6400®	09: Optical character recognition scanners, scanner operating software, parts thereof.
650/1300®	09: Laser printers, computer printers, continuous feed printers, and parts therefore.
6622 SOLUTION®	09: Laser printers, computer printers, wide format printers
7033®	09: FAX
7041®	09: FAX
7356®	09: Document scanner, - OCR and supporting software
8142®	09: Laser printers, inkjet printers, computer printers, parts thereof for all
8160®	09: Laser printers, inkjet printers, computer printers, parts thereof for all
8254E®	09: Laser printers, computer printers, wide format printers
8264E®	09: Laser printers, computer printers, wide format printers.

Trademark	Goods
8265®	09: Laser printers, computer printers, and parts and fittings thereof
8290®	09: laser printers, computer printers, and parts and fittings thereof
8365®	09: laser printers, computer printers, and parts and fittings thereof
8390®	09: laser printers, computer printers, and parts and fittings thereof
8825 DDS®	09: Laser printers, OCR scanners, and parts therefor.
8830®	09: Laser printers, parts
92C NPS®	09: Laser printers, and parts thereof
ACCORDIONPIX®	16: PAPER, PRINTING PAPER, COPYING PAPER, LAMINATED PAPER, COATED PAPER.
ACXES®	09: Controllers for use in engineering printers and plotters
ADVANCED SOURCING WORKBENCH™	09: Web based computer software for the collection of pricing, requests for proposals and other sourcing data.
ADVECTIS®	35: DOCUMENT AND DATA MANAGEMENT SERVICES, NAMELY, DOCUMENT FILING, INDEXING, AND RETRIEVAL FOR OTHERS. 42: HOSTING COMPUTER APPLICATION SOFTWARE FOR MANAGEMENT OF DOCUMENTS AND DATA BY OTHER.
ASPECTJ®	09: Computer software, namely a tool for developing object-oriented software 42: Computer software design services for others
ASST®	09: Computer software, namely for sales process management in the field of office equipment
BILLXCHANGE®	09: Computer software for use in the automated processing of invoices through the Internet
BLITZDOCS®	35: DOCUMENT AND DATA MANAGEMENT SERVICES, NAMELY, DOCUMENT FILING, INDEXING, AND RETRIEVAL FOR OTHERS. 42: HOSTING COMPUTER APPLICATION SOFTWARE FOR MANAGEMENT OF DOCUMENTS AND DATA BY OTHER.

Trademark	Goods
BOOK IN TIME®	09: Computer printers, computer software for network communications, database management and operating printers. 42: Printing services
BOOKMARK35®	09: Photocopiers
BUCK BENEFITS®	42: Developing computer programs for others, namely, developing computer programs for storing and retrieving user data in the field of medical and insurance information, human resources information, and calendaring and appointments information.
BUSINESS OF BREAKTHROUGHS, THE®	35: Business consultation in Internet commerce. 42: Consulting, research and development services in the fields of printing technology, semiconductors, lasers, linguistics, microscale devices, sensing and diagnostic electronics, distributed control, electronic displays, robotics, cryptography and security electronics, image recognition, compression and processing, document representations, image and video analysis, and document content analysis; software applications development; software systems design; network design. Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services.
BUSINESS OF YOUR BRAIN™	09: Computer programs, namely, software for scanning images and documents, desktop information manager programs providing electronic mail, personal calendar, group scheduling, personal information management, task management, browsing and sharing of documents; computer programs for managing, viewing, and editing files, documents, electronic mail messages and private network and global computer network communications; computer programs for meeting and event scheduling, managing group calendars, task delegation and reporting, recording notes, transferring data to and from databases and to and from computer programs, and computer files; address book programs, telephone dialing programs, programs for correcting typographical and capitalization errors, programs for tallying voting responses.

Trademark	Goods
C20®	09: Laser printers, computer printers, inkjet printers, photocopiers, optical character recognition (OCR) scanners, facsimile machines, multifunctional devices composed of laser printer, photocopier, OCR scanner and facsimile machine
C35®	09: Laser printers, computer printers, inkjet printers, photocopiers, optical character recognition (OCR) scanners, facsimile machines, multifunctional devices composed of laser printer, photocopier, OCR scanner and facsimile machine
C40 COLOR®	09: Laser printers, computer printers, inkjet printers, photocopiers, optical character recognition (OCR) scanners, facsimile machines, multifunctional devices composed of laser printer, photocopier, OCR scanner and facsimile machine
C45®	09: Laser printers, computer printers, inkjet printers, photocopiers, optical character recognition (OCR) scanners, facsimile machines, multifunctional devices composed of laser printer, photocopier, OCR scanner and facsimile machine
C55®	09: Laser printer, including parts
C75®	09: Laser printers, computer printers, inkjet printers, photocopiers, optical character recognition (OCR) scanners, facsimile machines, multifunctional devices composed of laser printer, photocopier, OCR scanner and facsimile machine
C90®	09: Laser printers, computer printers, inkjet printers, photocopiers, optical character recognition (OCR) scanners, facsimile machines, multifunctional devices composed of laser printer, photocopier, OCR scanner and facsimile machine
CARBONCONX®	40: Custom manufacture of carbon fibers within a polymer matrix.

Trademark	Goods
CCNX®	09: Software for network transmission and management; software for creating, facilitating, and managing remote access to and communication with local area networks; software for accessing information directories on internet and intranet computer networks, for management of computer networks interconnecting applications, for data merging; software for electronic file locating, referencing, data extracting, linking, integrating, transforming the information; computer software for electronic data processing of structured and unstructured information for purposes of recognition, classification, and retrieval, as well as intelligent content identification and matching
CENTREWARE®	09: Software for document management
CHANGE THE EQUATION®	35: Advocacy services, namely, promoting public awareness of education in the fields of science, technology engineering and mathematics within the corporate sector; promoting public awareness of careers and education in the fields of science, technology engineering and mathematics 36: Charitable fundraising services for initiatives in science, technology engineering and mathematics; charitable fundraising services for promoting research, education, and other activities relating to initiatives in science, technology, engineering, and mathematics 41: providing education information via an on-line website concerning education in the fields of science, technology engineering, and mathematics; educational services, namely, providing incentives to organizations and corporations to demonstrate excellence in the fields of science, technology engineering and mathematics
CHANNEL FLASH®	16: Newsletter in the field of office equipment and software
CIPRESS™	09: Digital printers for use with computers, laser printers, computer printers, color printers, and parts therefor for all of the aforementioned goods, namely, sorters, staplers, collators, feeders, replacement drums and rollers
COFFEE CUP LOGO DESIGN™	16: Printed material, namely, books, calendars, and greeting cards comprising a customized presentation of photographs and captions.
COFFEE CUP LOGO DESIGN SM	40: Printing and bookbinding services for creating customized printed materials for others.

Trademark	Goods
COLOR IMPRESSIONS™	16: Copy paper, printing paper.
COLOR XPRESSIONS®	16: Copy paper, printing paper
COLORCOAT®	16: multicolored and monochrome transfer rolls or ribbons made of plastic for thermal transfer printers
COLORGRAFX TONER®	02: TONER
COLORQUBE®	09: Computer printers, optical character recognition scanners, inkjet printers, parts thereof for all, namely, sorters, staplers, collators, and feeders
COLORQUBE®	02: TONER, DRY INK.
COLORSTIX®	16: solid ink for computer printers.
CONTROLCENTRE®	09: Computer software for graphical user interface on multifunctional devices composed of photocopier, printer, fax and scanner; computer software for retrieving and distributing documents on multifunctional devices.
COPIER ASSISTANT®	09: Software for use in text-to-speech printing, for use in imaging, and for use in scanning documents and text for printing
COPYCENTRE®	09: Laser printers, computer printers, inkjet printers, multifunctional devices composed of laser printer, photocopier, facsimile machine and optical character recognition (OCR) scanner, parts thereof for the aforementioned printers and multifunctional devices; computer software for printer management, computer software for network management
CS PLATFORM®	09: Software for use in software distribution on a computer network, and for use in diagnostics and repair with relation to printers, copiers, scanners and faxes
CXP6000®	09: Laser printers, computer printers, computer monitors, computer servers
DATAGLYPH®	09: SOFTWARE FOR EMBEDDING DI
DESIGNNET®	35: Document reproduction services
DIAGNOSTIC NAVIGATOR®	09: Computer software for repair and maintenance of printers, copiers, scanners, and facsimile machines.
DIGIFINISH®	09: Laser printers, computer printers, parts thereof for both, accessories for both, namely sorters, staplers, collators, stackers, finishers, and feeders

Trademark	Goods
DIGIPATH®	09: Computer software for printers
DIGIPATH®	09: Optical character recognition (OCR) scanner, and computer software for optical character recognition.
DIGITAL BOOKMARK®	09: Photocopiers, and parts thereof
DIGITAL COLOR ELITE GLOSS®	16: Copying paper, printing paper, facsimile paper, laminated paper, bond paper
DIGITAL COLOR ELITE SILK®	16: Copying paper, printing paper, facsimile paper, laminated paper, bond paper
DIGITAL COLOR SELECT GLOSS®	16: Copying paper, printing paper, laminted paper, reproduction paper, bond paper
DOCUCARD®	09: LASER IMPRINT CARD 16: LASER IMPRINT CARD
DOCUCOLOR®	09: Color printer and photocopier
DOCUCS®	09: SCANNER, SOFTWARE
DOCUJOB®	09: Computer programs, namely, for changing files and data.
DOCULAN®	09: Computer software used for facsimile transmission.
DOCULINK®	09: photocopier
DOCULOCK®	42: COMPUTER SERVICES-SECURIT
DOCUMATE®	09: Optical character recognition (OCR) scanners and operating software
DOCUMATE 250®	09: Optical character recognition scanners, scanner operating software, parts thereof.
DOCUMATE 252®	09: Optical character recognition scanners, scanner operating software, parts thereof.
DOCUMATE 262®	09: Optical character recognition scanners, scanner operating software, parts thereof.
DOCUMATE 510®	09: Optical character recognition scanners, scanner operating software, parts thereof.
DOCUMATE 520®	09: Optical character recognition scanners, scanner operating software, parts thereof.
DOCUMENT ADVISOR OFFICE®	035: Business management services 040: Document reproduction, printing and printing consultation services

Trademark	Goods
DOCUMENT APPLIANCE®	09: Computer servers, computer software, namely software that controls and administers information for use in information management and network management
DOCUMENT CENTRE®	09: Multifunctional apparatus for use as copier, printer, scanner and fax
DOCUMENT CENTRE IMAGE RETRIEVER®	09: Computer software, namely for scanning, for image processing
DOCUMENT COMPANY, THE®	01: Developer 02: Toner 16: Paper
DOCUMENT SOURCE, THE®	35: Photocopying services 42: Printing services, consulting services in record management.
DOCUMENT WORKCENTRE®	09: Multifunctional device comprised of a photocopier, computer printer, scanner and fax.
DOCUMENTING DREAMS®	41: Educational services for children, namely teaching writing in the field of creative writing
DOCUMENTS DIRECT®	35: DOCUMENT REPRODUCTION 39: Document pickup and delivery of orders and finished goods 42: PRINTING SERVICE
DOCUMENTS ON DEMAND®	09: Computer operating system software which connects proprietary printers via computer networks to other computer peripherals, namely imaging scanners and other computer input terminals.
DOCUPAC®	16: BINDER COVER.
DOCUPM®	09: Computer programs for file management
DOCUPRINT®	42: Computerized printing services.
DOCUPRINT®	09: Laser printers
DOCUPRINT®	02: Toner and ink jet cartridges
DOCUPRINT NC60®	09: Laser printers, and parts thereof
DOCUSHARE®	09: Computer software for document management
DOCUSP®	09: SOFTWARE-INTERFACE

Trademark	Goods
DOCUSTAMP®	09: Computer software, namely for scanning, image processing, and network transmission
DOCUTECH®	09: COPIER, PRINTER
DOCUTECH NETWORK PUBLISHER®	09: COPIER W/ SCANNER, NETWORK
DOCXPRESS®	16: Paper for printing and copying
DURAPAPER®	16: Paper for printing and copying
ECLICK®	37: Maintenance and repair of printers and office equipment
ECLICK®	02: Toner, toner cartridges, dry ink.
ECONCIERGE POWERED BY XEROX SM	<p>35: Database management services; compilation of business information in the nature of reports and statistics for financial purposes, support purposes, and maintenance purposes</p> <p>37: Installation, maintenance and repair of office machine and apparatus; installation, maintenance and repair of copying apparatus, printers, scanners, facsimile transmitting and receiving apparatus, document handling apparatus, and multifunctional devices composed of two or more of a copier, a printer, a facsimile machine and a scanner</p>
EMAIL DESIGN®	09: Multifunctional devices composed of photocopier, laser printer, scanner, and facsimile machine; computer software for facsimile transmission, scanning, and network management
EOMS AND DESIGN®	09: Computer software that provides for job management, device status, and accounting information all in the field of printer networks and printer management
ETTM®	42: Computer services, namely, providing temporary use of online non-downloadable software for interactive data and document management and control on global and local computer networks
EVERFLAT®	16: Paper, printing paper, copying paper, laminated paper, craft paper, coated paper.
EVERFLAT IMAGE SOLUTIONS PAPER®	16: Paper, printing paper, copying paper, laminated paper, craft paper, coated paper
EXP6000®	09: Laser printers, computer printers, computer monitors, computer servers
EXPRESS YOURSELF®	35: Employee recruiting and counseling

Trademark	Goods
FAXCENTRE®	09: COPIER,FAX
FF DESIGN®	09: Laser printers, computer printers, inkjet printers, digital presses, multifunctional devices composed of printer, photocopier, optical character recognition scanner and facsimile machine, computer software for imaging; for access, distribution and management of information stored on databases; for operating systems; for management of computer networks; for management and operation of printers and printer networks; for optical character recognition; for workflow mangement; and for data merging.
FLOWPORT®	09: Computer software for OCR scanning, network management, document management, and printer management
FREEDOM OF CHOICE®	37: Installation, maintenance and repair services for office equipment and office equipment computer networks, namely printers, copiers, faxes, scanners, and associated computer networks 42: Computer network design and consultation services, computer network and office equipment diagnostic services
FREEFLOW®	09: Laser printers; computer printers; inkjet printers; multifunctional devices composed of a printer, photocopier, optical character recognition scanner and facsimile machine; computer software used in all of the following--for digital imaging, for accessing information directories on intranet computer networks, for distrribution and management of information stored on databases, for management of computer networks interconnecting applications used in the tasks of document creation on to printing, for management and operation of printers and printer networks, for optical character recognition, for workflow management, and for data merging
FREEFLOW MAKEREADY®	09: Laser printers; computer printers; inkjet printers; multifunctional devices composed of a printer, photocopier, optical character recognition scanner and facsimile machine; computer software for use in all of the following -- for digital imaging, for accessing, distributing and managing information stored on databases; for managing computer operating systems, for managing computer networks, for managing and operating printers and printer networks, for optical character recognition, for workflow management, and for data merging

Trademark	Goods
FREEFLOW OFFICE®	09: Computer software for network management; for print management; for workflow management; for imaging; for data manipulation and customization; for database management; for searching, retrieving, transferring, manipulating, disseminating, filing and storing information and documents; computer software tools for the facilitation of third party software applications; computer server software
FREEFLOW OUTPUT MANAGER®	09: Laser printers, computer printers, inkjet printers, multifunctional devices composed of printer, photocopier, and optical character recognition scanner, computer software for imaging; for access, distribution and management of information stored on databases, for operating systems; for management of computer networks; for management and operation of printers and printer networks; for optical character recognition; for workflow management; and for data merging
FREEFLOW PREPRESS SUITE®	09: Laser printers; computer printers; inkjet printers; digital production printers; multifunctional devices composed of printer, photocopier, optical character recognition scanner and facsimile machine; computer software used in all of the following--for graphic imaging, for accessing information directories that may be downloaded from global computer networks or local networks, for distribution and management of information stored on databases, for controls and modifications on computer operating systems, for management of access to and participation in computer networks, for management and operation of printers and printer networks, for optical character recognition, for workflow management, and for data merging
FREEFLOW PROCESS MANAGER®	09: Laser printers, computer printers, inkjet printers, multifunctional devices composed of printer, photocopier, and optical character recognition scanner, computer software for imaging; for access, distribution and management of information stored on databases, for operating systems; for management of computer networks; for management and operation of printers and printer networks; for optical character recognition; for workflow management; and for data merging
FUNFLIP®	16: Paper, printing paper, copying paper, laminated paper, craft paper, coated paper.

Trademark	Goods
GLOBAL PRINT DRIVER®	09: Software for network transmission and management, software for creating, facilitating, and managing remote access to and communication with local area networks and works; software for data manipulation and customization, software for workflow management; software for access, distribution, management and retrieval of information stored on databases; software for accessing information directories on internet and intranet computer networks.
GLOSSMARK®	09: Laser printers, computer printers, computer monitors, printer operating software, printer management software
GREEN WORLD ALLIANCE®	02: Toner and dry ink 40: Recycling services
HI-WHITE®	16: Copying paper, printing paper, laminated paper, reproduction paper.
IGEN™	09: Laser printers, computer printers, color printers, and parts therefor for all of the aforementioned goods, namely, sorters, staplers, collators, feeders, replacement drums and rollers, in Class 9.
IGEN3®	09: Laser color printers, inkjet color printers, and parts thereof for both
IGEN4®	09: Laser printers, computer printers, color printers and parts therefor for all of the aforementioned goods.
IMAGE RETRIEVER®	09: Computer software for document distribution, for text and image processing, for the filing, manipulation, storage, and retrieval of electronic files
IMAGING KIOSK SOLUTION®	09: Computer software for document management in the field of document processing, database management; OCR scanners and scanning software; computer printers, laser printers and printer management software; computer monitors 35: Business services in the nature of document reproduction, document organization and document management 42: Printing services
INFOSMART®	35: Providing information in the field of office equipment via a global computer information network

Trademark	Goods
INISHKEA®	16: Industry-specific business communications customer kits composed of common industry documents that demonstrate the variety of applications available with particular office equipment and its associated software
INK STICK CONFIGURATION(340/350/360-C)®	16: Solid Ink for Computer Printers.
INK STICK CONFIGURATION(340/350/360-K)®	16: Solid Ink for Computer Printers.
INK STICK CONFIGURATION(340/350/360-M)®	16: Solid Ink for Computer Printers.
INK STICK CONFIGURATION(340/350/360-Y)®	16: Solid Ink for computer printers.
INK STICK DESIGN(340/350/360-K)®	16: Solid Ink for Computer Printers.
INK STICK DESIGN(340/350/360-Y)®	16: Solid Ink for Computer Printers.
IT'S COMPATIBLE®	02: Toner and inkjet cartridges
KNOWLEDGE SHARING CENTRE®	42: Retail and wholesale stores featuring office equipment.
KNOWLEDGESHARE®	42: Printing services, computer software consulting
LET'S SAY THANKS®	38: Delivery of messages and documents by electronic transmission. 39: Delivery of messages and documents
LIVEKEY™	38: Electronic transmission of visual images, data and documents by telecommunications networks, wireless communication networks, the Internet, information services networks and data networks.
M15®	09: Laser printers, computer printers, inkjet printers, photocopiers, optical character recognition (OCR) scanners, facsimile machines, multifunctional devices composed of laser printer, photocopier, OCR scanner and facsimile machine
M35®	09: Laser printers, computer printers, inkjet printers, photocopiers, optical character recognition (OCR) scanners, facsimile machines, multifunctional devices composed of laser printer, photocopier, OCR scanner and facsimile machine
M45®	09: Laser printers, computer printers, inkjet printers, photocopiers, optical character recognition (OCR) scanners, facsimile machines, multifunctional devices composed of laser printer, photocopier, OCR scanner and facsimile machine

Trademark	Goods
MADE FOR EACH OTHER®	16: Printed materials, namely, booklets, data sheets, calendars, envelopes, sample folders, posters provided to distributors for use in marketing supplies for color printers
MADE FOR EACH OTHER®	02: Solid ink for computer printers and laser printers; toner. 09: Parts namely fusers, fuser webs, feeders, finishers, and disk drives, all for laser printers, solid ink printers, photocopiers, and multifunctional devices composed of photocopier, printer, optical character recognition (OCR) scanner, facsimile machine.
MAJESTIK COLOR SERIES®	09: COPIERS
MAJESTIK COLOR SERIES DESIGN®	09: COPIERS
MAPS BRAND CHARTING®	35: Marketing research services
MARKETPORT™	09: Web-based computer software for the facilitation and management of price discovery, purchase, payment, price monitoring, analysis of industry pricing and evaluation of prices paid against industry norms; all in the field of procurement.

Trademark	Goods
MESHIN®	<p>09: Computer software for use in transmission and management of data on computer networks; software for database management; software for workflow management; software for creating, facilitating, and managing remote access to and communication with local area networks; software for accessing information directories on internet and intranet computer networks, for management of computer networks interconnecting applications, for data merging and mining; software for electronic file locating, referencing, data extracting, linking, integrating, transforming the information; computer software for electronic data processing of structured and unstructured information for purposes of recognition, classification, and retrieval, as well as intelligent content identification and matching; computer software for use in the management of web site content; computer software for use in business process management, namely, communication streams; computer software for use managing metadata in network servers, computer websites and computer programs.</p> <p>35: Database management services; document process management; business administration; document, record and forms management services; assessment and consulting in document workflow processes..</p> <p>42: Professional consultation services in relation to file conversion, electronic data storage management; provision of software tools for the creation of documents and the management of documents and images; technical consultancy in the field of computers, computer networks and computer peripherals; development of special software solutions for document management to control global and local computer networks.</p>
METERASSISTANT®	42: MONITORING AND MEASUREMENT OF USE, PERFORMANCE AND PRODUCTIVITY OF THIRD PARTY REPRODUCTION AND OFFICE EQUIPMENT VIA ACCESSED SOFTWARE INSTALLED IN SUCH THIRD PARTY EQUIPMENT.

Trademark	Goods
MFPLUS SCANNING SOLUTION™	09: Digital image projectors; laser printers and instruments for storage, retrieval and/or display of data, namely, computer hardware; multifunctional devices composed of any combination of a digital copier, a facsimile machine, a scanner and a printer; optical character recognition apparatus; software for optical character recognition; software for image processing, software for managing network transmissions and network management, computer software for use in document production and reproduction; software for workflow management; software for accessing, distributing, managing and retrieving of information stored on databases; software for printing images.
MOBILE EXPRESS DRIVER®	09: Software for network transmission and management, software for creating, facilitating, and managing remote access to and communication with local area networks and works; software for data manipulation and customization, software for workflow management; software for access, distribution, management and retrieval of information stored on databases; software for accessing information directories on internet and intranet computer networks.
MOBILEDOC®	09: Computer software for document management, namely for management of document searching, retrieval, storage, and transmission over global computer information networks and over local networks
NEUE MODERN FAMILY®	09: Downloadable computer software, namely for font display and printing
NEW BUSINESS OF PRINTING, THE®	42: Printing services
NSPLUS®	09: Laser printers and computer servers integrated in a printing system
OMNIX™	09: Software used to search, review, code and analyze documents.
ORDERQUIX®	09: Computer software for document management

Trademark	Goods
ORIAS®	09: Computer software for safety management, namely, for monitoring, auditing, updating and data analysis of the physical safety of the work environment, including, shop inspection tours, incident management, hazard reporting, change management and corrective actions; software for network transmission of data and information and for network database management; software for database management; software for creating, facilitating, and managing remote access to and communication with local area networks and global networks; software for data manipulation and customization; software for report generation in the field of safety management; software for document management; software for access, distribution, management and retrieval of information stored on databases; computer server software, namely, network access server operating software; software for accessing information directories on Internet and intranet computer networks, software for electronic file locating, referencing, data extracting, linking, integrating, and for transforming the information contained therein
P1202®	09: Laser printers, parts and fittings thereof
P1210®	09: Computer printers, laser printers, inkjet printers, parts thereof for all sold together therewith as a unit
PAGEPACK®	37: Services in the maintenance and repair of printers and office equipment.
PAGEPACK®	02: Toner, dry ink.
PAPER WARE®	09: Software

Trademark	Goods
PARC®	42: Consulting, research and development services in the fields of printing, commerce, semiconductor materials, software application development, software systems design, lasers, network design, electronic displays, linguistics, graphic user interfaces, image processing, document representations, biological devices, knowledge management, sensing and diagnosis, and distributed control
PARC AND DESIGN®	09: Computer software for printing technology; electronic displays; data security; image recognition, compression and processing; document representations; image and video analysis; document content analysis 42: Consulting, research and development services in the fields of printing technology; semiconductors; lasers; linguistics; microscale devices, sensing and diagnostic electronics; distributed control; electronic displays, robotics; cryptography and security electronics; image recognition, compression and processing; document representations; image and video analysis; document content analysis; software applications development, software systems design; network design
PEARLIZED ELEGANCE®	16: Copying paper, printing paper, laminated paper, reproduction paper
PHASER®	07: Media laminating machines. 09: Color printers for computers and computer networks, color printer controllers, paper trays for color printers, and computer programs for controlling printers.
PHASER®	16: Media for computer printers, namely, paper, transparent film and canvas.
PHASER®	09: Monochrome laser printer, and parts thereof.
PHASER®	02: Toner, dry ink, printers ink, solid ink, namely for use in printers
PHASERCAL®	09: Computer software for imaging, for printer management
PHASERMATCH®	09: Computer software for imaging, for print management, for network management, for OCR (optical character recognition)

Trademark	Goods
PHASERMETER™	09: Computer software for imaging, for print management, for network management, for OCR (optical character recognition)
PHASERSHARE®	09: Computer software and computer hardware for network printing.
PHASERSMART®	37: Diagnostic and repair services for office equipment provided over the web
PHONESHARE®	09: COPIER ACCESSORY-MAINTENA
PHOTOCAFE™	09: Computer software for digitizing, enhancing, manipulating, transmitting, indexing and storing images, designing and laying out photo books, photo greeting cards and calendars. 16: Printed material, namely, books, calendars, and greeting cards comprising a customized presentation of photographs and captions.
PHOTOCAFE™	40: Printing and bookbinding services for creating customized printed materials for others.
PHOTOCAFE LOGO DESIGN™	16: Printed material, namely, calendars, scrapbook albums, photo books, books containing photos or images and greeting cards comprising a customized presentation of photographs and captions in INT. CLASS 16.
PHOTOCAFE LOGO DESIGN™	40: Photographic and image processing services, namely, developing, reprinting and modifying images in the nature of alteration and retouching of photographic images, enhancement of photographic images, nad enlarging of photographic images; transferring photographic and digital images from photographic negatives and uploaded digital images to imprintable surfaces; digital on-demand printing services of books and other documents, digital printing, variable printing, namely, printing material personalized for the orderer in INT. CLASS 40.
PLANET 4+™	16: Paper

Trademark	Goods
POWERED BY XEROX®	35: Document reproduction; photocopying services; business management services, namely, document process management; business documents, records and forms management services; electronic processing of orders for others. 40: Printing services, bindery services for others, namely, collation, binding, cutting, and folding of printed material; printing services, namely, document production.
PRINTCISE®	09: Computer software for printers, print management and network management
PRINTERACT®	35: Consultation and assistance in the field of business operations 42: Technical computer consultation in the field of business operations
PRINTERMAP®	09: Computer software, namely for print network management
PRINTING INNOVATION WITH XEROX IMAGING AWARDS®	41: Providing awards to printing shops to demonstrate excellence in the field of digital printing
PRINTINGSCOUT®	09: Computer software sold as a component of computer and laser printers to provide on-screen notification and guidance, namely for diagnostics and troubleshooting, for electronic data processing of structured and unstructured information for purposes of recognition, classification, and retrieval, as well as intelligent content identification and matching; software for electronic file locating, referencing, data-extracting, linking, integrating, and transforming the information; software for database management.
