The FB20 is the ideal binding machine for all corporations, financial institutions, copy shops, print environments, or education establishments that require professional-looking presentations, yearbooks or bound documents at a fraction of the time required to bind with alternative binding solutions such as coil, comb, or wire. This machine offers unprecedented ease of use with its LCD display that guides the user through each operation using animated illustrations. The Fastback 20 works with all of the Powis binding materials, from the versatile Super Strip to the customized Image Strip to the Perfectback strips for perfect binding books. It can create anything from a simple report to a 350-sheet hard cover book.

One Touch Function
