

# High-quality letter landscape booklets in a compact solution.

Plockmatic Pro450/Pro435 is a versatile compact booklet making system, combining robust and reliable performance with a new range of applications, including landscape format. Modular system, enabling selection of the modules to match needs.

## FEATURES

- **Pro450/Pro435 Production Booklet Maker** The Plockmatic Pro450/Pro435 can Staple and Fold Booklets up to 50 or 35 sheets. From small 5.7" x 3.9" booklets all the way up to letter landscape and more. Also capable of corner and edge staple of documents for an even wider range of applications.
- **Finishing module FM400 (optional)** The finishing module combines both square folding and face trimming in a single, compact module. The moving face trimmer knife has increased the maximum trim range to create booklets down to 3.9" wide – in a single cut. The result is a smaller module with higher capabilities and processing power.

- **Rotate Crease Trim module (RCT) (optional)** The RCT module will crease the cover of the booklet and trim the edges of each sheet enabling full bleed applications to be produced right from the printer. The module will turn smaller sheet sizes allowing them to be printed in "portrait" mode for higher productivity.
- **Trim Waste Conveyor (optional)** This option allows long unattended runs while using the RCT, reducing the need for operator intervention to remove trim waste.
- **High Capacity Belt Stacker (BST4000-1) (optional)** For production-oriented sites; allows long unattended runs and stacks up to 1,000 4-page letter-sized booklets.

## BENEFITS

- Automated functionality reduce the operator's time spent on setting up the system.
- Compact, inline configuration saves labour and time of doing finishing tasks separately.
- Provides two configuration options for producing booklets with a professional look and feel at an affordable cost.
- Reduces waste and cost of human errors.
- Robust design delivers optimal application quality when producing booklets with coated media or heavier stock.
- The Pro435, a cost-effective 140-page (35-sheet) booklet maker, is based on the same platform as the Pro450 and can be upgraded to a Plockmatic Pro450.

# Specifications for the Plockmatic Pro450/Pro435 Booklet Maker

## COMPONENTS AND DIMENSIONS (W x D x H)

- Pro450/Pro435 — Booklet Maker (Stapler and folder function):  
64.5" x 31.5" x 44.9"; Weight: 342 lb
- FM400 — Finishing Module (Square Edge and Face Trimmer function, optional):  
20.7" x 28.3" x 44.9"; Weight: 262 lb
- RCT — Rotate Crease and Bleed Trimmer 3.0 (optional):  
31.1" x 35.6" x 44.9"; Weight: 467 lb
- Waste Conveyor 2.0 (optional; requires RCT):  
9.14" x 25.6" x 29.1" – 49.7"; Weight: 66 lb
- BST4000-1 - High Capacity Belt Stacker (optional):  
68.1" x 17.2" x 39.4"; Weight: 155 lb

## POWER REQUIREMENTS

- 100 – 240 VAC +10%
- 50/60 Hz

## PAPER WEIGHT

- Coated — Min: 28 lb. Bond; Max: 110 lb. Cover
- Uncoated — Min: 17 lb. Bond; Max: 110 lb. Cover

## PAPER SIZE

- Min: 5.7" x 8.3"
- Max (with RCT): 13.0" x 24.4"
- Max (without RCT): 12.6" x 26.0"

## FOLDING CAPACITY

- Pro435: 1 – 35 sheets of 20 lb. Bond
- Pro450: 1 – 50 sheets of 20 lb. Bond  
(up to 2 sheets without staples)

## STAPLING CAPACITY

- Pro450: Up to 50 sheets or 200 pages
- Pro435: Up to 35 sheets or 140 pages

Staple cartridges with 5,000 staples each

Saddle-stitched stapling; 4.64" apart (fixed)

Edge and Corner stapling, fixed positions

## OUTPUT TRAY CAPACITY

- Up to 150 sets of 2 sheets (20 lb. Bond or equivalent), or unlimited if the stop mechanism is folded down

## FACE TRIM DISTANCE

- Min: 0.079"
- Max: 9.09"

## TRIMMER CAPACITY

- Min: 1-sheet booklets, 17 lb. Bond
- Max: 50-sheet booklets, 20 lb. Bond

## BLEED TRIM

- Min: 0.20" per side = 0.39"
- Max: 1.18" per side = 2.36"

## SQUARE FOLDER CAPACITY

- Max: 50 sheets, 20 lb. Bond

## BOOKLET SIZE

- Min: 5.7" x 3.9"
- Max (with RCT): 12.6" x 12.2"
- Max (without RCT): 12.6" x 13.0"

## HIGH CAPACITY BELT STACKER

- Can be configured straight after the Pro450/Pro435 or in a 90-degree angle to save space
- Stacks up to 1,000 4-page letter-size booklets
