

# Xerox® Integrated Color Server for the Xerox® Color C60/C70 Printer

## A Great Value and Seamless Integration

With the Xerox® Integrated Color Server paired with your C60/C70 Printer, you can count on world-class color and superior high-end office workflows so you can do what you do best. For high-end office applications, you will be delighted with unrivaled simplicity, productivity and reliability – all this and a great value, too.

- Flexibility to create a wider range of applications. Expansive media range – print everything from postcards to posters. Inline finishing options offer a professional polish with stapling, hole-punching and folding for presentations, brochures, reports and newsletters.
- Xerox® Mobile Print. Now printing can be simple, convenient and secure from any email-enabled device, such as a smartphone, iPad® or other tablet. An ideal option for any business with a mobile workforce looking for more flexible printing options.
- Customize your print driver settings for economy and efficiency. For example, adjust settings for specific applications, such as always printing emails in black and white.
- Scan, print, copy, fax and route files – all at once. Concurrent operations maximize productivity, letting multiple users perform different tasks simultaneously.
- Superior scanning. Easily share files or introduce electronic archiving with powerful scan capabilities. Create text-searchable files at the device for easy retrieval. Compression technology reduces network load to enable fast transmission.
- Automate everyday work. Create job flow sheets to automatically route documents to predefined locations, including email addresses, fax destinations and FTP/SMB sites.
- Remotely manage the device. Xerox® CentreWare® IS Embedded Web Server automates installation, troubleshooting, feature setup and upgrading.
- Manage and track device usage. Internal Auditron sets limits of device features for analysis and billing purposes. Xerox® Standard Accounting provides reports for greater cost control of all device functions.
- Easy, accurate billing and supplies replenishment. Xerox® MeterAssistant® collects and submits meter reads and Xerox® SuppliesAssistant® enables automatic ordering of ink to save time.
