Opportunity begins when you go beyond traditional print.

The Xerox® ED95A and ED125 Copier/Printers are made to rise above the challenges faced by the most demanding, print-intensive environments. With these printers, you can print more, faster and for less — and exceed expectations with next-level finishing and feeding capabilities.

How do the ED95A and ED125 help you grow your business? They free you up to produce great work. The ED95A and ED125 deliver a robust set of features and capabilities, with the flexibility to choose your print speed and finishing/feeding options that make the most sense for your business.

RELIABLE FINISHING

• Standard stacking and punching
• Booklet finishing
• 2 and 3 hole punching and high-capacity stacking

COMPLETE CONFIDENCE

• 256 Bit encryption
• HDD encryption with overwrite
