### Programme for the Endorsement of Forest Certification

The Programme for the Endorsement of Forest Certification (PEFC) Council is an independent, non-profit, non-governmental organisation, which promotes sustainably managed forests through independent third party certification. PEFC provides an assurance mechanism to purchasers of wood and paper products that they are promoting the sustainable management of forests. PEFC offers customers a badge of sustainability as requested by many end users, as proof of corporately responsible purchasing.

### Forest Stewardship Council

The Forest Stewardship Council (FSC) is an international network, which promotes responsible management of the world's forests. It accredits independent third party organisations to FSC standards to ensure well managed forestry. Its trademark provides international recognition to organisations that support the growth of responsible forest management. The FSC trademark can be displayed on products containing a mix of FSC certified, recycled and controlled fibre.
