The professional laser fax
with advanced communications capabilities

Key features at a glance:

- Laser fax
- Multifunctional
- Send scanned colour or black and white documents as e-mail
- SMS text messaging
- Colour scanner
- Laser printer*
- Digital copier
The FaxCentre 1012 is a high performance corporate laser fax. With its Internet capabilities, the FaxCentre 1012 can communicate with any Internet connected terminal in the world, enabling it to transmit colour documents and receive e-mails. It can also share its multifunctional features with a PC* (printing, colour or black and white scanning, fax sending/receiving) and send text messages to mobile phones.
