# हैप्पीस्ट खुश करेगा अमीर निवेशकों को!

धनाढ़ी निवेशकों को कमाई तभी होगी जब हैप्पीस्ट माइंड्स व रूट मोबाइल के शेयर एकसचेंजों पर क्रमशः 50 फीसदी व 30 फीसदी प्रीमियम पर सूचीबद्ध हों

सुंदर सेतुरामन  
तिरुवनंतपुरम्, 16 सितंबर

**है**प्पीस्ट माइंड्स टेक्नोलॉजिज का शेयर गुरुवार को अगर शेयर बाजार में आगज के दौरान 50 फीसदी से ज्यादा उछलता है तो धनाढ़ी निवेशकों (एचएनआई) को काफी खुशी होगी। काफी ज्यादा आवेदन से धनाढ़ी निवेशकों की ब्रेक-इवन लागत बढ़ गई है, जिन्होंने अरंभिक सार्वजनिक निगम में उधार के जरए दांव लगाया है।

हैप्पीस्ट माइंड्स आईपीओ की एचएनआई श्रेणी को 351 गुने से ज्यादा की बोली मिली, यानी 37,000 करोड़ रुपये से ज्यादा की बोली लगाई गई। किसी आईपीओ में अधिकतम निवेश सीमा के बराबर यानी 105 करोड़ रुपये की बोली लगाने वालों को सिर्फ 28 लाख रुपये के शेयर मिलेंगे। आठ दिन की उधारी लागत को समायोजित करते हुए हैप्पीस्ट माइंड्स आईपीओ की ब्रेक-इवन लागत 251 रुपये प्रति शेयर बैठती है, जो इश्यू प्राइस के मुकाबले 50 फीसदी प्रीमियम है।

एक दिन में 50 फीसदी की बढ़त शायद ही देखने को मिलती है, लेकिन इससे पूरी तरह नकारा भी नहीं जा सकता। स्पेशियलिटी के मिकल्स फर्म रोसारी बायोटेक का आईपीओ 75 फीसदी प्रीमियम पर सूचीबद्ध हुआ था, जिससे निवेशकों को अप्रत्याशित फायदा हुआ था।

रूट मोबाइल के मामले में ब्रेक-इवन लागत थोड़ी कम है क्योंकि हैप्पीस्ट माइंड्स के मुकाबले उसे कम आवेदन

मिले। उद्योग के प्रतिभागियों के मुताबिक, एचएनआई इस आईपीओ में तभी कमाई कर पाएंगे अगर यह शेयर 30 फीसदी प्रीमियम पर सूचीबद्ध होता है। रूट मोबाइल का आईपीओ सोमवार को शेयर बाजार में सूचीबद्ध होगा।

गैर-बैंकिंग वित्तीय कंपनियां (एनबीएफसी) 9 से 12 फीसदी सालाना दर पर एचएनआई को उधार देती हैं। उधार दी जाने वाली रकम के मुकाबले आवेदन की वास्तविक रकम उसका एक हिस्सा भर होता है, जो जोखिम कम करने में मदद करता है। मोटे तौर पर एचएनआई ग्रे मार्केट के प्रीमियम को अपने आकलन का आधार बनाते हैं। बाजार की अवधारणा खराब होने के बाद दांव उलटा भी पड़ सकता है, जैसा कि इस साल एसबीआई काइर्स के आईपीओ में देखा गया था।

उद्योग के प्रतिभागियों ने कहा कि बाजार में जारी खरीदारी के माहौल में खास तौर से स्मॉलैंकेप क्षेत्र में हो रही खरीदारी प्रतिकूल स्थिति पैदा कर सकती है। एक विश्लेषक ने कहा, अगर हम ग्रे मार्केट के संकेतकों पर नजर डालें तो एचएनआई को दोनों आईपीओ में लाभ मिल सकता है। साथ ही व्यापक बाजार को लेकर अवधारणा बाजार नियामक सेबी के मल्टीकैप पर दिए आदेश के बाद सुधरी है। यह उसे और मजबूती देगा।

इश्यू प्राइस पर हैप्पीस्ट माइंड्स का बाजार पूंजीकरण 2,440 करोड़ रुपये होगा। कंपनी का गठन माइंड्ट्री के संस्थापक चेयरमैन व प्रबंध निदेशक अशोक सूटा ने किया है। हैप्पीस्ट माइंड्स को मूल रूप से डिजिटल सेवाओं से राजस्व मिलता है। कंपनी रोबोटिक प्रोसेस

ऑटोमेशन, नेटवर्क फंक्शन वर्चुअलाइजेशन, बिग डेटा एंड एडवांस्ड एनालिटिक्स, इंटरनेट ऑफ थिंग्स जैसे क्षेत्रों में समाधान की पेशकश करती है।

रूट मोबाइल का बाजार पूंजीकरण 350 रुपये के इश्यू प्राइस पर करीब 2,000 करोड़ रुपये का होगा। रूट मोबाइल टेक्नोलॉजी सेवाएं मुहूर्या करती हैं। वह एंटरप्राइजेज को अपने क्लाइंटों के साथ डिजिटल के जरिए संवाद के लिए ओमी चैनल लेटफॉर्म मुहूर्या करती है।

उद्योग के प्रतिभागियों ने कहा कि आवंटन में कामयाबी हासिल करने वाले खुदरा निवेशकों को अच्छा फायदा मिल सकता है। हालांकि खुदरा क्षेत्र में हर 45 आवेदकों में से सिर्फ एक निवेशक को हैप्पीस्ट माइंड्स के शेयर आवंटित हुए हैं।

जयशंकर ने कहा, 'जब अर्थव्यवस्था की स्थिति अच्छी नहीं है, आपको विकास पूंजी की ज्यादा आवश्यकता नहीं है। दूसरा कारण यह भी है कि कई क्षेत्रों को विड-19 से बुरी तरह से प्रभावित हुए हैं। पूरी तरह सेंकंडरी सेल पर निर्भर कंपनियों से जुड़े क्षेत्र महामारी से प्रभावित हुए हैं तो उन्हें भी अभी इंतजार करना होगा।'

दूनिया भर के अधिकतर शेयर बाजारों में उनके मार्च 2020 के निचले स्तर के मुकाबले जबरदस्त तोर्जा के बावजूद आगे की राह के लिए अधिकतर फंड मैनेजरों का नजरिया इस परिसंपत्ति वर्ग के लिए तेज़िये का बना हुआ है। हालांकि वे समय-समय पर गिरावट को लेकर भी सतर्क हैं लेकिन उनका कहना है कि कुल मिलाकर फिलहाल तेज़िये की प्रवृत्ति बरकरार रहेगी।

## कोविड-19 से आईपीओ की रपतार पर विराम

कोविड-19 महामारी का प्रभाव आईपीओ लाने की इच्छुक कंपनियों पर भी पड़ा है। इस साल अब तक सिर्फ 11 कंपनियों ने भारतीय प्रतिभूति एवं विनियम बोर्ड (सेबी) के समक्ष अपने प्रस्ताव दस्तावेज संपूर्ण, जो 2019 के 27 आवेदनों

के मुकाबले कम है।

बाजार कारोबारियों का कहना है कि लॉकडाउन और सोशल डिस्टेंसिंग मानकों ने कंपनियों, निवेश बैंकरों और कानूनी कंपनियों को आईपीओ आवेदन करने के लिए जरूरी कागजी प्रक्रिया पर काम करना

मुश्किल बना दिया है। इसके अलावा, महामारी से पैदा हुए आर्थिक झटके से कई कंपनियों के लाभ एवं नुकसान खाते प्रभावित हुए हैं।

# Delhi: Man who duped over 2,500 by offering phones on easy installments held

MM BUREAU

New Delhi/September 16

A man (32) has been arrested from Ghaziabad in Uttar Pradesh (UP) for allegedly using fake websites to con unsuspecting public by offering cheap mobile phones on easy equated monthly installments (EMIs), Delhi Police said on Wednesday.

Two mobile phones that were used in the crime were seized from the accused, while his two associates are still absconding, the police said.

Jitender Singh, who holds an undergraduate degree in computer applications, has reportedly confessed to his alleged crime.

He along with his two accomplices had duped more than 2,500 people across the country in the past two years using fake websites

and luring his gullible victims with cheap mobile phones and easy EMIs, said RP Meena, deputy commissioner of police (DCP) (south-east), Delhi Police.

"We are verifying his claims of cheating over 2,500 people. The bank accounts that the fraudsters used are being examined to ascertain the money transactions related to the scam. We have arrested Singh in one case that was being investigated by our district's cyber cell team since January," said DCP Meena.

An investigating officer (IO), who did not want to be named, said that initial analysis of one bank account has reflected around five deposits made by the victims for buying cheap mobile phones. "We will approach the

depositors to know whether they had filed any police complaints regarding the cheating. Singh has told us that his gang used to dupe

two or three persons daily," the officer added.

The fraudsters would create fake websites, where they promised mobile phones

on rates cheaper than available market prices and also offered easy EMIs.

They would dupe a certain number of people and then deactivate the website. They would choose a new domain name for the website in a bid to avoid refund or delivery demands of the purchased mobile phones by their duped victims.

"They used to charge between Rs 1,999 and Rs 7,999 for each mobile phone. The prices were deliberately kept low in a bid to ensure that the victims would not approach police even after being conned. They only accepted payment through a virtual payment address (VPA) mechanism to make the detection of a financial transaction difficult," added Meena.

On January 9, the DCP said, one Irfan Pathan filed a case at Govindpuri police station in south Delhi regarding a similar fraud.

that it was registered with an e-commerce payment system site and a bank account in the name of one Rajat Shukla.

The details of the alleged VPA used by the fraudsters were obtained from the National Payments Corporation of India (NPCI). It was found that the VPA was registered with Shukla's bank account through which the money was transferred to another account opened in the name of accused Singh, said the DCP. "We arrested Singh from his home in Ghaziabad and seized two mobile phones used in the crime. Singh disclosed that Shukla and Praveen Kumar were his partners in crime," said Meena.

During the probe, the police collected details of the phone numbers that were linked to the website and were used to contact Pathan. The call details of one phone number revealed

# Delhi's ridge board to rule on projects without independent members

MM BUREAU

New Delhi/September 16

The fate of at least 10 major infrastructure projects that will directly affect the city's Ridge—the green lungs of the national capital—is likely to be decided by the Supreme Court-mandated Ridge Management Board (RMB), on Friday without its two independent expert members present.

The RMB, headed by the chief secretary, was formed in 1995 on the directions of the apex court, to preserve the Ridge. It has scheduled a meeting on September 18 to discuss at least 10 projects that will affect the Ridge.

The Ridge is the northern extension of the Aravalli Range, extending from Tughlaqabad in south-east to the north near Wazirabad, covering a distance of about 35km. The Delhi Ridge acts

as the green lungs of the capital and, through various government orders over the years, all construction has been banned in the Ridge in an effort to preserve it.

While six of the eight members of the RMB are permanent, two are nominated environment experts who represent the public interest and ensure transparency in the functioning of the board.

Sunita Narain, director-general of environment NGO Centre for Science and Environment (CSE) and Vinilendu Jha, executive director of NGO Svechha, were nominated as the two independent expert members for a tenure of two years, which ended last March.

But since new independent experts are yet to be nominated, the board will meet on September 18, minus the two experts.

Officials privy to the RMB's workings, said both Narain and Jha have been asked to attend the meeting as 'special invitees', but they refused on the grounds that the board needs to be reconstituted before any meeting can be scheduled. They also confirmed that

since Narain and Jha are not "nominated members" anymore, their opinions will not be binding on the board.

"The board technically has not been complete since March 2019. Both these experts have been invited as special guests and they can give their suggestions only

as experts, but the board will be under no obligation to follow them. However, if they were attending as members, their votes could have swayed the fate of the projects discussed," a senior government official, who did not wish to be identified, said.

The list of projects to be discussed includes permissions for the 22km Tughlaqabad-Aerocity corridor of the Delhi Metro's Phase 4, which has proposed four stations on Ridge land. The meeting agenda will also look into the proposal for the Delhi-Alwar corridor of the Regional Rapid Transit System, which will cross the Ridge area. The meeting agenda also includes proposals for the construction of the campus of Indian Institute of Foreign Trade, two skill centres and a new laboratory complex, all

abutting the Ridge.

Documents accessed by Hindustan Times show that tenure of the last RMB expired last March, after which the board was not reconstituted. A senior official from the forest department, without wanting to be named, confirmed that a request for the reconstitution of the board was sent to the Delhi environment minister's office in November 2018, but the proposal is still awaiting a clearance. "The proposal to renominate Narain and Jha was sent from our end but the file is pending approval," the official said. Responding to Media's query, environment minister Gopal Rai's office

Tuesday said "the file, with the names of the expert members, is in the process of being cleared". While both Narain and Jha refused to comment.

## Covid-19: Delhi BJP chief Adesh Gupta tests positive

MM BUREAU

New Delhi/September 16

Adesh Gupta, who heads the Bharatiya Janata Party's (BJP) Delhi unit, tested coronavirus disease (Covid-19) positive on Wednesday. At least 17 people working in the party headquarters in the national capital at Pant Marg had tested Covid-19 positive on Tuesday. Later, they were sent to a dedicated Covid Care Centre (CCC) in Delhi.

On Wednesday, Gupta tweeted, "I had got the Covid-19 test done last week and tested negative. But as I have not been keeping well, I tested again. This time, I have tested Covid-19 positive. Though I'm in home quarantine for the past one week, those who have come in contact please get yourself tested." The BJP has closed its state unit office for two days. Ashok Goyal, the media in-charge of BJP's Delhi unit, said, "We will get the office disinfected and sanitised. On Monday, a peon had tested Covid-19 positive following which we got the test done of all the staff working at our office. Of the 42 people, who underwent the test, 17 were found to be Covid-19 positive. We have sent these 17 people to a CCC in the national capital." Sidharthan, organisational secretary, BJP's Delhi unit, who lives on the campus of the party office, also got himself tested on Tuesday, but he was not infected by SARS-CoV-2 that causes Covid-19, Goyal said.

## India-China dispute is converted into opportunity by small artisans and craftsmen in India

New Delhi/September 16

The current dispute between India and China at the borders has led the Confederation of All India Traders (CAIT), the apex organization of the Indian business community to bring forth art, skills, vision and exemplary work of millions of local artisans, craftsmen and people of lower strata in this year's Diwali festival season.

The CAIT while calling to celebrate this year's Diwali as Hindustani Diwali has involved local artisans in the campaign to make them self-reliant and bringing an opportunity to unleash their skills by making innovative festival articles for celebration of Diwali with Indian goods. On 10 June, the CAIT had given a call for boycott of Chinese goods and received overwhelming support from all corners of the Country resulting in no use of Chinese goods in Raksha Bandhan and Ganesh Chaturthi festival, which was supported by people from all sections of

the Country.

Continuing the campaign, the CAIT has laid great emphasis on usage of Indian goods this year in Diwali festival season by making available articles required for Pooja and decoration of shops & houses.

CAIT has said that in the past years China has not missed any opportunity to take over India's festivals, but now traders across the country have pledged to liberate not only the festivals but also the country's market from China by leveraging its camps "Bhartiya Samaan - Hamara Abhimani" among masses across Country. Every year China exports around 40 thousand crores of its festival goods to India but during this year of festival season, the traders across Country are well prepared to give a big jolt of 40 thousand crores business to China.

CAIT National President Mr. BC Bhartia and Secretary General Mr. Praveen Khandelwal said

that for ensuring the success and adoption of nationwide campaign of Hindustani Diwali, the CAIT has identified about 350 clusters across the country including Delhi where Indian goods related festivals are being made or prepared primarily by local artisans, craftsmen and other skilled people of lower strata for worshipping and use in decoration of shops, commercial markets & residential houses and colonies.

These items reflect the ancient tradition and culture of India which include small & big earthen Diye made from soil, clay, cow dung and manure, artistically painted diyas, decorating the premises, feet of Goddess Lakshmi and sign of auspicious Shubh- laabh, signs. A variety of items including decorative skirting, decorative hanging, khadi decorative goods but also that

of made of pearl and bead, Madhubani and Maithili paintings are etc.

These items will jointly showcase India's amazing art, culture and glorious tradition for the first time in the country.

Mr. Bhartia and Mr. Khandelwal told that this stuff is being made by the local people who have art and vision but they do not get buyers.

The CAIT has decided to give them market by clubbing them traders of respective states and also handholding of them.

This campaign will make the lower class of the country self-employed to a great extent which needs to be strengthened, on the other hand, the traders across will buy these goods from them at a better price and sell them at a very low profit margin all over the country.

## SDMC fast-tracks scheme, life insurance for contract staff by Sept 30

MM BUREAU

New Delhi/September 16

The South Delhi Municipal Corporation (SDMC) has decided to expedite implementation of its scheme of providing life insurance cover to its contractual staff and daily wage workers.

In an order released by the civic body earlier this week, the officials have been asked to cover all contractual employees and daily wage workers under the scheme by September 30. The corporation has asked them to obtain consent forms from contractual employees and submit them to the bank partners along with the premium for insurance scheme.

Under the scheme, SDMC contractual workers will be provided life insurance of Rs 2 lakh in case of death or accidental death at a

premium of Rs 330 per year. This premium amount will be borne by the civic body.

The south Delhi civic body, in an order released on September 8, said that officials should ensure 100% coverage of contractual and daily wage employees by September 30.

According to SDMC officials, contractual and daily wage employees of the municipality do not get

service benefits such as life insurance. They said that eligible employees of the corporation had to enrol themselves for the scheme but the process was hampered due to coronavirus pandemic and other reasons. "But now the plan has been revived and fast-tracked to ensure that eligible contractual employees get life insurance benefit at the earliest. This will be the first-of-its-kind move by any corporation in the city," the official said.

The scheme was launched by SDMC in November last year with an aim to benefit around 14,000 contractual employees and daily wage workers of the municipality and is applicable for employees up to the age of 55. SDMC had signed an

Mou with the State Bank of India (SBI) and Allahabad Bank for the scheme on November 20 last year.
