

Xerox® Equipment Return, Reuse and Recycle Methods

U.S. state-specific requirements for electronic waste management.

District of Columbia

- Information for consumers with Xerox® office equipment, such as desktop printers and “all in one” devices that weigh less than 100 pounds that are not, nor can be, configured as floor devices or point of sale receipt printers, is available at: <http://oem.srsapp.com/StateInformation/default.aspx?oem=xerox&statecode=dc#>
- Information about the District’s electronic waste law is available on the [District of Columbia Department of Public Works Sanitation Services website](#)

Hawaii

- Information for consumers with Xerox® office equipment, such as desktop printers, is available at: <http://oem.srsapp.com/StateInformation/default.aspx?oem=xerox&statecode=hi>
- Information about Hawaii’s electronic waste law is available on the [Hawaii Department of Health website](#).

Illinois

- Information for consumers with Xerox® office equipment such as desktop printers or monitors for household use is available at: <http://oem.srsapp.com/StateInformation/default.aspx?oem=xerox&statecode=il>
- Information about Illinois’ electronic waste law is available on the [Illinois Environmental Protection Agency website](#).

Michigan

- Information for consumers with Xerox® office equipment such as desktop printers or monitors for household use or small businesses with less than ten (10) employees is available at: <http://oem.srsapp.com/StateInformation/default.aspx?oem=xerox&statecode=mi>
- Information about Michigan’s electronic waste law is available on [Michigan’s Department of Environmental Quality website](#).

New Jersey

- Information for a person, small business enterprise, State entity, school district, or local government unit with Xerox® office equipment, such as desktop printers purchased through retail channels, is available at: <http://oem.srsapp.com/StateInformation/default.aspx?oem=xerox&statecode=nj#>
- Information about New Jersey’s electronic waste law is available on the [New Jersey Department of Environmental Protection website](#)

New York

- In accordance with NYS regulation, information for all household consumers and for-profit entities which have 49 or fewer full time employees, not-for-profit corporations with 74 or fewer full time employees, or any not-for-profit corporations designated under section 501(c)(3) of the internal revenue code with Xerox® branded items such as desktop printers not managed through our regular return process, or monitors is available at:
<http://oem.srsapp.com/StateInformation/default.aspx?oem=xerox&statecode=ny>
- If you have purchased a Xerox® product and would like to recycle your non-Xerox® branded product free of charge, go to:
<http://oem.srsapp.com/StateInformation/default.aspx?oem=xerox&statecode=ny>
- Some Xerox® printers have hard drives that may contain personal or other confidential data. Instructions on how to destroy such data before surrendering products for recycling or reuse are available in the [Data Protection: Image Overwrite, Encryption and Disk Removal document](#)
- Information about New York's electronic waste law is available on the [New York State Department of Environmental Conservation website](#)

North Carolina

- Information for consumers with Xerox® branded desktop printers used for personal or home office use, and not for profit organizations with less than 10 employees is available at:
<http://oem.srsapp.com/StateInformation/default.aspx?oem=xerox&statecode=nc>.
- Information about North Carolina's electronic waste law is available on the [N.C. Department of Environmental and Natural Resources website](#).
