

# Meet Your Personal Conference Assistants

There's a lot to see at Gartner Symposium 2017. The last thing you want to do is waste time figuring out logistics. So visit our pop-up business center in the Walt Disney World Dolphin Hotel, Convention Level Foyer, and let our Xerox® ConnectKey® Technology-enabled workplace assistants take care of them for you quickly and securely. Here's a quick look at just a few of the things they can do:

- Print your agenda for the day
- Print your boarding pass
- Upload or download files from DropBox or Google Drive
- Translate a document into one of 37 languages
- Scan and obtain a digital copy of a paper document

## Why Xerox® ConnectKey® Technology

- Benchmark security with comprehensive protection for all system components
- App-based functionality that adapts to the way you work with custom solutions
- Consistent, simple, multi-touch experience and one-touch workflows
- Remote print capability, plus printing and scanning directly to and from the cloud
- Automated processes, extended capabilities, lower costs and less strain on IT

Want to learn more about Xerox and what our ConnectKey® Technology-enabled workplace assistants can do for your organization? **Visit us in the Digital Workplace Marketplace in the Pacific Hall of the ITxpo, Booth #719.**
