

Small Business Owners: Look Good in All Your Hats

How the right printer can help you do it all.

From keeping up with digital technologies to attracting the best talent and customers, you have a lot of responsibilities. Fortunately, the brand-new Xerox® Phaser® 6510 Color Printer and Xerox® WorkCentre® 6515 Color Multifunction Printer can make wearing those hats feel a whole lot lighter.

IT Specialist

Improve connectivity.

Modernize your workplace with a wireless device that connects via mobile and Ethernet for employee and guest convenience.

Production Manager

Up your productivity.

Keep work moving with print speeds up to 30 ppm and the ability to scan two sides at once.

Receptionist

Improve the flow of information.

Print emails, photos and important documents from mobile devices instantly.

Accountant

Invest wisely and save. Get best-in-class value at a price that won't break the bank.

HR Director

Add a valuable team member.

Free up staff with automated print, scan and fax workflows on the WorkCentre® 6515's app-based interface.

Head Marketer

Enhance communications.

Grab attention with PANTONE® Color-approved solid color simulations and a resolution of 1200 x 2400 dpi.
