

# A better way to grow.

Upgrade your equipment, and your bottom line.

Secure the hardware, software and IT services you need with financing that's simple, speedy and smart.

Xerox™ Financial Services make it easier than ever to obtain financing on new equipment — with no-hassle payment plans and billing options that get your enhanced solutions up and running in no time.

#### GEARED TOWARD YOU

Xerox™ Financial Services are tailored to meet your unique business needs and goals — with flexibility for upgrades. Add or refresh what you need, as you need it.

#### SIMPLICITY. SPEED. SERVICE. THREE KEY HALLMARKS OF A SUCCESSFUL PARTNERSHIP:

##### SIMPLICITY

You've got better things to do than fill out endless paperwork. Thanks to robotic process automation and the iLease mobile app, invoices and lease processing are a snap.

##### SPEED

Get the financing you need for the technology you need quickly, and start running your business more effectively sooner.

##### SERVICE

Our services are frictionless, flexible and optimized as needed. From better payment options to automating the daily work of managing invoices and billing.

You take care of your customers.  
We'll take care of you.

Total Solutions  
Financing

Offerings and  
Solutions Portfolio

Supporting  
You

Ease of  
Doing Business

We're here to facilitate your growth, whether you're a small- or medium-sized business, an enterprise organization or a government entity.

#### **TOTAL SOLUTION FINANCING**

We help simplify buying with a full financing solution that includes products, pass-through maintenance and software.

##### **Flexible Lease Structures**

We don't do one-size fits all. Simply tell us your tax, accounting or cash flow situation, and we'll structure your lease accordingly.

#### **SUPPORTING YOU**

Work works better with a partner who has your back. Our commitment to helping you grow is steadfast.

Whether you choose to leverage our Customer Portal or contact our customer support call centers, you can count on us for everything from sales and program assistance to asset and lifecycle management for your business.

#### **EASE OF DOING BUSINESS**

The world today is complicated enough. With our dedicated lease administration service, streamlined credit decisions, and expanded digital tools and technical resource, we make getting the technology you need to grow your business hassle-free.

#### **A SUSTAINABLE FUTURE FOR US ALL**

Increase your opportunity while reducing your environmental footprint. Feel good knowing our financial service offerings maximize reuse and landfill avoidance.
