

Recommended Media List

Xerox® AltaLink® C8070 Color Multifunction Printer

This Recommended Media List contains Xerox® Paper and Specialty Media that has been extensively tested on the Xerox® AltaLink® C8070 Color Multifunction Printer for image quality and performance by Xerox® at the Xerox® Media Technology Center.

The paper and specialty media on this list are approved by Xerox and recommended for use in all configurations of the Xerox® AltaLink® C8070 Color Multifunction Printer.

All Xerox® Paper and Specialty Media on this list are digitally optimized, designed and manufactured for optimal performance in Xerox digital printing equipment and carry the Domtar 100% Performance Guarantee. Domtar offers a 100% Performance Guarantee for any Xerox® Paper or Specialty Media that is featured on the Recommended Media List for a specific Xerox printer

or digital press. This is your assurance that if you are unhappy with the performance of recommended Xerox® Paper or Specialty Media, Domtar will either take back the unused product and replace it or refund your money – guaranteed.

Domtar Paper Company, LLC. and Domtar Inc., (collectively referred to as “Domtar”), are the exclusive U.S. and Canadian trademark licensees of Xerox® Paper and Specialty Media. Domtar’s and Xerox’s extensive collaborative testing and stringent specifications ensure that we are able to guarantee the performance and consistency of Xerox® Paper and Specialty Media.

Recommended Media List

General Information

Customers should validate that the Best Practices for Operation for the selected Xerox® Paper or Specialty Media are acceptable for their application. When purchasing a particular media product for the first time, customers are advised to purchase small quantities to ensure that expectations are met.

Media observations made in this publication are based on tests conducted using standard images with moderate to heavy image area coverage. Test machines are maintained within specifications defined by user documentation. Where applicable, suggested adjustments and best practices are included to optimize media performance. Note that “size” designation is for sheet dimensions only, and is not used to indicate grain direction.

The Stock Library Montage application can be updated with the most current Recommended Media List by downloading the “Recommended Media List.rml” file from Xerox.com. This file can be found on Xerox.com under the Support and Drivers tab, searching on Altalink. Instructions on how to update the Stock Library Manager media list are included with the file.

Warranty Disclaimer

Domtar and Xerox make no guarantees or warranties, either expressed or implied, concerning the performance, use or replacement of non-Xerox branded media or throughput products. Customers should inquire directly of their paper distributor or manufacturer for any guarantees they may offer. When purchasing a particular media product for the first time, customers are advised to purchase small quantities to insure their expectations are met. The quality of Xerox supplies is consistent from ream to ream and is backed by a 100% guarantee such that if you are unhappy with the performance of recommended Xerox® Paper or Specialty Media, Domtar will either take back the unused product and replace it or refund your money. The quality of non-Xerox branded paper may vary from ream to ream or carton to carton, so for optimum performance on Xerox color equipment, use only the best: Xerox supplies.
