

Xerox CiPress 325 and CiPress 500 Tested Media List

Updated: August 1st, 2014

- The CiPress Tested Media List is an accumulation of papers that have been run successfully through the CiPress 325 or CiPress 500 system by Xerox under controlled conditions.

- The current CiPress published paper specification is 50 – 160 gsm on xerographic bond or offset uncoated plain paper. As such any papers that fall within that spec should be acceptable to run on the CiPress system. In addition, we have successfully tested papers outside this spec with paper weights above and below the published spec as well as coated papers which are listed herewithin.

- Different jobs and job mixes can have an impact on the runability of papers. Customers can use this as a guide but Xerox recommends that papers are tested with specific jobs and across the full print manufacturing process and document lifecycle

- The papers tested below were tested at the specific weights listed. Most likely other similar weights of the same paper will also work on the CiPress system but have not been tested.

- The Tested Media list indicates performance through the CiPress print engine, but does not guarantee performance of the paper through finishing devices

- Xerox makes no guarantees or warranties, either expressed or implied, concerning the performance, use, or consistency of paper or throughput products. Customers should inquire directly with their distributor or manufacturer for any guarantees they may offer.

Region	Brand	Media Name	Grade	Type	Weight (#)	Weight (gsm)	Applications (Transaction, Direct Mail, Books, Catalogs, etc)	Comments / Caveats
North America	Appleton Coated	Utopia Book	Coated	Book	45#	68	Books	
North America	Appleton Coated	Utopia Filmcoat	Coated	Book	40#, 45#	60, 68	Books	
North America	Appleton Coated	Utopia Thinbook	Coated	Book	45#	68	Books	
North America	Avery Dennison	54# Semi-Gloss Laser/S2501/41# LF	Coated	Labels	54# 41#	160	Labels	Customized solution. Contact Xerox Sales Rep
North America	Avery Dennison	54# Semi-Gloss Laser/S2501/53# LF	Coated	Labels	54#-53#	160	Labels	Customized solution. Contact Xerox Sales Rep
